

The hotel offers these services on request and by reservation only. Services are supplied by independent partners and we ask you to contact them directly for reservations

Valerie and Nicolas offer quality massage and well-being treatments. Both completed their training at HP Formation in Geneva.

Katia, experienced beautician, offers a large range of beauty treatments mostly using organic products from **Atelier des Délices** (for face and body) and **Perron Rigot** and **Les Filles au Pluriel** (for hair removal).

Whether you wish to treat yourself to release tension and stress or simply have a moment to yourself, our partners will be delighted to welcome you in our spa.

Available from Monday to Saturday from 9am to 7pm and Sunday from 10am to 2pm
Pre-booking required by telephone. Credit cards not accepted

Beauty treatments on offer:

Pause Hydra Source (Face)	65 minutes	€98
Enjoy a moment of intense pleasure and get back soft, perfectly hydrated skin thanks to the combination of quince pip and Dulse (remineralising red seaweed).		
Pause Jeunesse Plus (Face)	65 minutes	€98
Treatment for mature skin based on prickly pear oil and hyaluronic acid, which firms up tissues and activates microcirculation in the skin.		
Pause Puret� Plus (Face)	60 minutes	€90
Cleansing treatment based on a combination of propolis, salicylic acid, organic cucumber juice, Aloe Vera and charcoal, purifying the skin and eliminating imperfections.		
Soin du visage Premium (Face)	75 minutes	€100
Stimulating, anti-age Kobido massage (Japanese method) using stones. Serenity and relaxation guaranteed.		
Soin Visage & Corps Bali Emotion (Face & Body)	90 minutes	€120
Complete face and body treatment including body scrub (apricot stone powder) and body wrap (green coffee, orange powder, mint powder) and massage using shells to stimulate your body's natural energy.		
R�flexologie Plantaire (Feet)	50 minutes	€80
Reflexology is more an art than a technique, which brings harmony and a sensation of lightness via stimulation of areas of both feet which are linked to the body's organs.
